PARENT/GUARDIAN INTERNET ACCEPTABLE USE CONSENT FORM

I/we have read and agree to the School's and archdiocese's regulations for the use of the school's technology resources (including but not limited to network and Internet access, fax, email, stand-alone computers, audiovisual services and telephone) and I/we have discussed them with my/our child. In consideration of the privilege of my child using the school's electronic communications system, and in consideration of having access to the public networks, I hereby release the school, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my child's use of, or inability to use the system, including, without limitation, the types of damage identified in the school's policies and administrative regulations as shown in the school handbooks. Loss or damage to equipment may be subject to a fine and/or payment for replacement.

(A) _____ I give my child(ren) _____ permission to participate in the school's electronic communications system, including the Internet, and certify that the information contained in this form is correct.

(B) _____ I do not give permission for my child(ren) to access the Internet at Saint Alphonsus Liguori School.

STUDENT INTERNET ACCEPTABLE USE CONSENT FORM

I understand that access to the school technology resources is not private and that the school will monitor my activity on any of those resources including the computer system, emails, files and telephone usage, but not limited to these particular resources. I have read and/or discussed with my parent/guardian the regulations for the school's technology resources in the school handbook and I agree to abide by their provisions. I understand that the violation of these provisions may result in disciplinary actions including suspension or revocation of system access. I also understand that any actions taken through the school network that are in violation of the schools disciplinary code will be handled in accord with the code and that appropriate legal authorities may be contacted if there is any suspicion of illegal activity. (If the student is too young to read the Regulations on Student Acceptable Use of School Technology Resources in the School Handbook, the parent/guardian is asked to provide assistance.)
