Your act should be around 1.5 to 2 minutes. All teachers, students, and family acts are welcome to participate. **Please complete the form below and return to Mrs. Duncan or the school office to participate.** Copies of the form are in the school office.

Be creative! Groups of kids can do this together and have fun. You will need to practice at home and outside of school. We will have a rehearsal after school on Wednesday, 1/31 from 2:30-3:30 to run through the show in the gym. Students will need to bring props, costumes, etc. that day for the run through.

We hope many students are in the show! In previous years we have had great acts-songs, instrumental, dance, comedians, magic acts, sports demonstrations, art-you name it! The form to sign up must be submitted by Friday, January 26.
